**UNITED STATES OF AMERICA  
DEPARTMENT OF TRANSPORTATION  
OFFICE OF THE SECRETARY  
WASHINGTON, D.C.**

Issued by the Department of Transportation  
on the 10th day of February, 2000

Essential Air Service at

OSHKOSH, WISCONSIN

Under 49 U.S.C. 41731 *et seq.*

**Docket OST-1999-5712 - 15**

**ORDER EXTENDING SERVICE OBLIGATION**

**Summary**

By this order, the Department of Transportation is extending Great Lakes' service obligation at Oshkosh, Wisconsin, for another 30 days, through March 17, 2000.

**Background**

On May 20, 1999, Great Lakes Aviation, Ltd., d/b/a United Express (Great Lakes), filed a 90-day notice of its intention to suspend its subsidy-free service at Oshkosh, Wisconsin, effective August 18, 1999. By Order 99-8-11, August 13, 1999, the Department prohibited Great Lakes from suspending service beyond the end of its 90-day notice period, through September 16, 1999, and requested proposals, with subsidy if necessary, to provide replacement service at Oshkosh. Great Lakes provides two nonstop round trips a day in the Oshkosh-Chicago O'Hare market with 19-seat aircraft. We have subsequently extended Great Lakes' service obligation at Oshkosh for additional 30-day periods, the most recent by Order 99-12-29, through February 16, 2000.

By Order 99-10-6, the Department established an annual subsidy rate of \$460,392 for Great Lakes' hold-in service, effective August 18, 1999, until the Department takes further action. In the meantime, the community is exploring other service options for Oshkosh.

Since we have not yet received any proposals, this case will not be completed before the end of the current 30-day hold-in period. Thus, in accordance with 49 U.S.C. 41734(c), we will extend Great Lakes' service obligation at Oshkosh for an additional 30 days, through March 17, 2000, or until replacement service actually begins, whichever comes first.

This order is issued under authority delegated in 14 CFR 1.56a(f).

**ACCORDINGLY,**

1. We require Great Lakes Aviation, Ltd., d/b/a United Express, to maintain essential air service at Oshkosh, Wisconsin, as set forth in Appendix D of Order 99-8-11, for an additional 30-day period through March 17, 2000, or until a carrier capable of providing reliable replacement service actually begins service, whichever comes first;<sup>1</sup>
2. We direct Great Lakes Aviation, Ltd., d/b/a United Express, to retain all books, records, and other source and summary documentation to support subsidy claims for payment, and to preserve and maintain such documentation in a manner that readily permits its audit and examination by representatives of the Department. Such documentation shall be retained for seven years or until the Department indicates that the records may be destroyed. Copies of flight logs for aircraft sold or disposed of must be retained. The carrier may forfeit its compensation for any claim that is not supported under the terms of this order;
3. Docket OST-1999-5712 shall remain open until further order of the Department; and
4. We will serve a copy of this order on the Mayor and airport manager of Oshkosh, Wisconsin, the Governor of Wisconsin, the Wisconsin Department of Transportation, City of Chicago-Department of Aviation, and Great Lakes Aviation, Ltd., d/b/a United Express.
